CRSP Preparation Courses

March – December, 2012

2 Day Course, 8:00 a.m. — 4:00 p.m.

Instructor:

Dr. Peter Strahlendorf

B.Sc., B.E.S., LL.B., LL.M., S.J.D., CRSP

Website: <http://www.iqsem.ca>

If you are an occupational health and safety professional with 3 or more years of experience, you may be eligible for the CRSP designation. There are now over 3,300 CRSPs in Canada. Employers value the CRSP as evidence of professional status and experience. The CRSP is awarded by the Board of Canadian Registered Safety Professionals. Please check the BCRSP website www.bcrsp.ca for details of eligibility and for the application forms to become a CRSP.

This two-day course prepares participants for the CRSP exam that is offered twice a year by the BCRSP (May and October). You can take the course with or without having first applied to the BCRSP. Some people take the course as a last minute review and others in order to develop a study plan. It is now advisable to take the course several months before the exam date.

Dr. Peter Strahlendorf has presented this course to many hundreds of people across Canada since 1993 in St. John's, Halifax, Charlottetown, Ottawa, Toronto, Winnipeg, Calgary, Regina, Vancouver, London, Whitehorse, Yellowknife and elsewhere. This is the most widely used CRSP course in Canada.
